

Wednesday 20 November

Instituto Superior Técnico, Lisbon

- 09:00 - 09:20 Welcome and Introduction Session
Fátima Montemor, Full Professor, Instituto Superior Técnico Lisboa
- 09:20 - 10:00 Energy Storage: EC perspectives
- 10:00 - 10:40 Introduction to European Battery Alliance
Thore Sekkenes, EBA Program Director, InnoEnergy Scandinavia
- 10:40 - 11:00 Tea & Coffee Break**
- 11:00 - 11:40 Batteries: The Materials Supply Chain
Fernanda Margarido, Associate Professor, Instituto Superior Técnico Lisboa
- 11:40 - 12:20 Current and Future Batteries Technologies for Stationary Applications
- 12:20 - 14:00 Batteries for Stationary Energy Storage: Applications at Grid-level
Miguel Patena, Innovation Technology Director, EDP Produção
- 14:00 - 14:40 Lunch**
- 14:40 - 15:20 Batteries for Stationary Energy Storage: Behind the Meter
André Botelho, Head Energy Storage, EDP Inovação
- 15:20 - 15:40 Batteries for Stationary Energy Storage: Off-grid / Islanding
João Amaral, Chief Technology Officer, Voltalia
- 15:40 - 16:00 Tea & Coffee Break**
- 16:00 - 16:30 Ancillary Technologies: Supercapacitors
John Miller, Professor, Case Western Reserve University
- 16:30 - 17:30 Round Table: Industry Needs and Challenges for the Energy Transition
- 19:30 - 22:30 Networking Event

*The agenda might change

Battery Storage Masterclass

Lisbon, Portugal
20-21 November 2019

Thursday 21 November

Instituto Superior Técnico, Lisbon

- 09:00 - 09:40 Market Trends: Applications Driving the Market
Henrique Pombeiro, Chief Executive Officer, Watt-Is
- 09:40 - 10:20 Business Models: How to Make Money From Energy Storage
Christoph Lienert, Director Corporate Strategy & Market Intelligence, Sonnen
- 10:20 - 10:40 Tea & Coffee Break**
- 10:40 - 11:20 Cost Analysis of Battery Storage Systems: Cost Model Basis and Metrics
Francisco Díaz-González, Department of Electrical Engineering, Universitat Politècnica de Catalunya
- 11:20 - 12:00 Business Models: Example 2
- 12:00 - 14:30 Round Table with Working Lunch**
- 14:30 - 17:00 Workshop on Energy Regulation and Policy
Leonardo Meeus, Professor of Nonmarket Strategy and Corporate Affairs, Vlerick Business School

*The agenda might change

Battery Storage Masterclass

Lisbon, Portugal
20-21 November 2019
